Oakes, the income from same to be paid to C.W.C.A. for the perpetual care and upkeep of the Amidon-Stewart Burial Lot. Vote declared by the Moderator to be carried in the affirmative.

At ten o'clock the Moderator closed the ballot box and recessed the meeting for a public hearing on the revised zoning and building ordinances recommended by the Planning Board to supersede the ordinances now in effect, and called on Paul Lawton as Chairman to conduct the hearing. After the hearing the Moderator called the meeting to order and continued the Articles of the Warrant.

Article 27. Voted by voice vote on motion made by R. Willard Beebe and supported by Susan Fleisher to adopt the following revised zoning and building ordinance recommended by the Planning Board to supersede the ordinance now in effect as follows:

ZONING ORDINANCE

In pursuance of authority conferred by Chapter 31, Sections 60-89 H.S.A. the following zoning ordinance is hereby proposed to the voters of the Town of Chesterfield, New Hampshire:

Article I

DISTRICTS

For the purpose of this ordinance the Town of Chesterfield is divided into two districts as shown on the official zoning map filed with the Town Clerk and dated.

1. Residential District No. 1, namely all lands to a depth of five hundred feet on each side, from the center line of all paved Public Roads and Highways in existence within the Town of Chesterfield.

2. Residential District No. 2, all other lands within the Town of Chesterfield.

Article II

The following provisions shall apply to all Districts:

A. No owner or occupant of land in any district shall permit fire or other ruins to be left, but within one year shall remove or refill the same to clear ground level or shall repair, rebuild or replace the structure.

B. All dwellings and sanitary systems shall be constructed and maintained in accordance with standards set and enforced by the N.H. State Department of Health and the N.H. Water Pollution Commission.

Article III

Residential District No. 1

A. The minimum land area for each dwelling shall not be less than 10,000 square feet with a frontage of no less than 100 feet.

B. Every new building of any sort hereafter erected in Residential District No. 1 shall be set back from the center of the nearest right of way a distance of fifty (50) feet, but said minimum setback may be less than fifty (50) feet if in conformity with the setback of buildings on adjoining lots. No building shall be located within ten (10) feet of the side and rear property lines.

C. No junk yard or place for the storage of discarded machinery or vehicles, or other scrap material shall be maintained in said area.

D. No building, land or structure within 500 feet of the center line of the road around Spofford Lake, or at any other location between the road and the lake, shall be used for any commercial purpose nor shall any business be conducted therein, except this provision shall not apply to any building or structure being used for commercial purposes at the time of the passage of this regulation.

Provision: Any change in the use of ommercial property within the area specified in Section D shall be subject to approval of the Board of Adjustment.

Article IV

Trailers and Mobile Homes

A. Trailer Parks or Mobile Home Parks will be permitted in Residential District No. 2 and shall conform to the following specifications:

1. None shall be smaller than (5) acres or larger than (10) acres in size.

2. The individual lots within the Park shall be no less than 40 x 60 feet in size.

3. The Parks must be screened on the two sides and the rear by a vegetable buffer 20 feet wide, composed of trees or shrubs or a combination of both.

4. All Trailer and Mobile Home Parks shall meet the minimum standards of sanitation as set forth by the New Hampshire State Department of Health.

B. A single Trailer or Mobile Home may be located anywhere in the Town provided it meets the minimum standards as follows:

1. It shall be located on a lot with a minimum of 10,000 square feet, with a 100 foot frontage.

2. It must be placed on a permanent foundation or continuous supporting wall of masonry, masonry units, concrete or other similar materials, extending at least 3 feet below normal ground level.

3. It shall conform to the minimum standards of sanitation as set forth by the New Hampshire State Department of Health.

4. Such Trailers and Homes shall be considered buildings or dwellings within the terms of this ordinance.

C. The temporary parking of a single trailer or mobile home outside a Trailer or Mobile Home Park, or the use of such trailer or mobile home as temporary living quarters within the town shall be permitted for a period of not more than 30 days in any one year.

Article V

Non-Conforming Uses

A. When any existing non-conforming use of land or buildings has been discontinued for one year, the land and building shall thereafter be used only in conformity to this ordinance, except that the Board of Adjustment, after a public hearing, may permit the resumption of said non-conforming use.

B. Any existing non-conforming use shall not be changed to another non-conforming use.

C. No motor vehicle and machinery junk yard may continue as a non-conforming use for more than one year after the effective date of this Ordinance, except that a motor vehicle and machinery junk yard may continue as a non-conforming use if within that period it is maintained in accordance with the

standards set and enforced by the N.H. Revised Statutes Annotated, 1955, Chapter 267, Sections 1-4, and also in accordance with the standards required by the Town Board of Selectmen.

Article VI

Enforcement

Upon any well founded information that this Ordinance is being violated, The Board of Selectmen shall take immediate steps to enforce the provisions of this Ordinance by seeking an injunction in the Superior Court or by any other legal action.

Article VII

Board of Adjustment

Within thirty days after the adoption of this Ordinance and thereafter as terms expire or vacancies occur, the Board of Selectmen shall make appointments to a Board of Adjustment of five members conforming in duties to the provisions of Chapter 31 of the N.H. Revised Statutes Annotated, 1955. Thereafter as terms expire or vacancies occur, the appointing authority shall be responsible for filling vacancies and maintaining full membership on the Board of Adjustment. The Board of Adjustment here provided shall conform in membership and term of office to the provisions of Section 67, Chapter 31, N. H. Revised Statutes Annotated, 1955. In addition to the general powers granted said Board of Adjustment by said Chapter 31, it shall have the power in harmony with and subject to its provisions:

A. To hear and decide appeals either by the applicant or other property owner in the vicinity where it is alleged there is error in any order, requirement, decision, or determination made by an administration official in the enforcement of this Ordinance.

B. To hear and decide appeals for exceptions to the terms of this Ordinance.

C. To authorize, upon appeal, in specific cases, such variance from the terms of this Ordinance as will not be contrary to the Public interest, where, owing to special conditions, a literal enforcement of the provisions of this Ordinance will result in unnecessary hardships, and so that the spirit of this Ordinance shall be observed and substantial justice done.

D. The Board of Adjustment shall make rules as to the manner of filing appeals or applications for exemptions or

for variance from the terms of this Ordinance. A payment of the estimated cost of giving notice is herein required by the applicant.

E. Upon receipt of an appeal or an application for exceptions from the terms of this Ordinance by the Board of Adjustment, the Board shall fix a reasonable time for the hearing of the appeal or the application for exception, give public notice thereof, as well as due notice to the parties in interest and decide the same within a reasonable time.

F. The said notices shall state the location of the building or lot, and the general nature of the question involved.

G. In exercising the above-mentioned powers, the Board may, in conformity with the provisions thereof, reverse or affirm wholly or partly, or may modify the order, requirement, decision or determination appealed from and may make such orders or decisions as ought to be made, and to that end shall have all powers of the officer from whom the appeal is taken.

H. The concurring vote of three members of the Board shall be necessary to reverse any action of administration officials or to decide in favor of the applicant on any matter upon which it is required to pass under any such Ordinance, or to effect any variation in any such Ordinance.

Article VIII

Amendments

The provisions of this Ordinance may be amended or changed at any regular or special Town Meeting by a majority of the voters present as provided by law.

Article IX

Other Provisions

Section 1. Validity. Should any section or provision of this Ordinance be declared by a court of competent jurisdiction to be invalid, such decision shall not affect the validity of the Ordinance as a whole or of any other part thereof.

Section 2. Interpretation. In interpreting and applying the provisions of this Ordinance, they shall be held to be the minimum requirements for the promotion of the health, safety, morals and general welfare of the Town of Chesterfield and its citizens.

Section 3. Penalties and Remedy for Violations. Whoever

violates any provisions of this Ordinance shall be punished by a fine not exceeding ten dollars a day for each day of violation.

Section 4. This Ordinance shall take effect immediately upon its passage.

Article X

Definitions

A. A Trailer coach or Mobile home, within the terms of these regulations, means any vehicle or similar portable structure used for sleeping or living purposes.

B. A Mobile home or Trailer Park is land upon which two or more mobile homes or trailers are parked and occupied for living purposes, regardless whether or not a charge is made for such accomodations.

C. Frontage means the length of the lot bordering on the public right of way.

D. Junk means any used metal, used bottles, solid textile mill waste, unfinished cloth, or other textile mill yarns, old paper products, old rubber products, old plastic products, wood wastes, two or more unregistered motor vehicles which are unfit for use on highways, used parts and materials of motor vehicles and other secondhand or waste articles, the accumulation of which is detrimental or injurious to the neighborhood.

BUILDING ORDINANCE

To promote the health, safety, convenience, and general welfare of the community by regulating the construction of building thereon in the Town of Chesterfield.

Article I

Restrictions

All land shall be subject to the following regulations, restrictions, and conditions:

Section 1. No building or structure shall be erected, and no structure shall be altered, maintenance excluded, without a building permit from the Building Inspector, to whom adequate plans and specifications of proposed building or alterations shall be submitted. The fees for permits shall be according to the following schedule:

Value	*Permit Fees*
$.00 to $5,000.00	$5.00
$5,000.00 to $10,000.00	$10.00
Over $10,000.00	$15.00

Section 1a. All Building Permits shall expire One Year from date of issue.

Section 2. The Town Building Inspector shall base his approval or rejection on the provisions of this ordinance. The requirements are as follows:

A. Every dwelling house or camp to be established shall have a minimum ground floor area of six hundred square feet, approximately 20 x 30 feet, for each family unit.

B. Foundations shall be constructed of solid concrete, brick, cement-block, or stone or other similar materials, extending at least three feet below normal ground level. Accessory buildings may be set on brick, stone or concrete piers.

Exception: This provision shall not affect motels or cabins used for guests staying overnight or by the week, and cottages not used the year around.

C. Every dwelling house, camp, other building, or addition to presently existing dwellings or buildings, is to be finished on the exterior in a permanent manner and is to be painted on the outside whenever the same is of wood or a material customarily painted.

D. All chimneys and fireplaces shall be constructed of stone, brick, concrete or cinder block to the ground, excepting prefabricated chimneys bearing the approved label of the National Board of Fire Underwriters shall also be allowed; each shall be lined with tile and extend at least two feet above the roof to which it belongs and shall have a cleanout opening at the base. All entrances to chimneys shall be of fireproof construction. Chimneys shall not be used to support beams or timbers in any manner. No smoke pipe shall be installed so as to be within twelve inches of any combustible floor or ceiling unless amply protected with non-combustible material. No smoke pipe shall be installed which passes into or through partitions or walls of combustible materials, except when guarded by a double collar of metal with air space of at least five inches or by at least five inches of brick or other non-combustible material between the pipe and the combustible material.

E. No roof of any building shall be covered or recovered in whole or in part save with non-combustible or fire-resistant roofing material.

F. Sewerage: All newly constructed dwellings and buildings in public and private use shall be equipped with flush toilets, septic tank, and adequate disposal facilities.

G. All electrical installations shall be in accordance with the

requirements of the latest edition of the National Electric Code, the same being the standard of the National Board of Fire Underwriters for electrical wiring and apparatus.

H. All Oil Burning Equipment shall be installed in compliance with rules and regulations No. 5001 issued by N.H. Board of Fire Control.

I. All construction unless otherwise covered by this Ordinance or the Chesterfield Zoning Ordinance shall be in accordance with the minimum requirements of the latest edition of the Federal Housing Administration book entitled "Minimum Property Requirements." Any exceptions to these requirements must be approved by the Building Inspector.

Article II

Exceptions

Article III

Town Building Inspector

Section 1. For the purpose of this Ordinance the Board of Selectmen shall annually appoint a Town Building Inspector who shall perform the duties pertaining to his office as designated in the provisions of this Ordinance.

Section 2. The Building Inspector shall make known his decision within ten days from the date he received the application and he shall make inspections of all buildings in a process of construction and report in writing any or all violations to the Board of Selectmen.

Section 3. The Town Building Inspector shall retain each application fee which shall constitute full compensation for his services.

Article IV

Administration

Section 1. Applications and Permits.

A. It shall be the duty of the Selectmen, and the Board is hereby given power and authority to enforce the provisions of this Ordinance.

B. The Board of Selectmen shall require that the application for a building permit include a plot plan and contain all necessary information to enable the Building Inspector to ascertain whether the proposed building or structure and its intended use comply with the provisions of this Ordinance.

C. No building permit shall be issued until the Building

Inspector has certified that the proposed building or structure and its intended use comply with the provisions of this Ordinance.

D. It shall be unlawful for any person to commence work on erection of any building or structure until a permit has been duly granted for such erection or alteration by the Building Inspector.

Article V

Board of Adjustment

Section 1. The Selectmen shall appoint a Board of Adjustment of Five Members as provided in the N. H. Revised Statutes Annotated, Chapter 31.

Section 2. The Board of Adjustment shall have the following powers:

A. To hear and decide appeals either by the applicant or other property owner in the vicinity where it is alleged there is error in any order, requirement, decision, or determination made by an administration official in the enforcement of this Ordinance.

B. To hear and decide appeals for exceptions to the terms of this Ordinance.

C. To authorize, upon appeal, in specific cases, such variance from the terms of this Ordinance as will not be contrary to the Public interest, where, owing to special conditions, a literal enforcement of the provisions of this Ordinance will result in unnecessary hardships, and so that the spirit of this Ordinance shall be observed and substantial justice done.

D. The Board of Adjustment shall make rules as to the manner of filing appeals or applications for exceptions or for variance from the terms of this Ordinance. A payment of the estimated cost of giving notice is herein required by the applicant.

E. Upon filing an appeal or an application for exceptions from the terms of this Ordinance with the Board of Adjustment, the Board shall fix a reasonable time for the hearing of the appeal or the application for exception, give public notice thereof, as well as due notice to the parties in interest and decide the same within a reasonable time.

F. The said notices shall state the location of the building or lot, and the general nature of the question involved.

G. In exercising the above-mentioned powers, the Board may, in conformity with the provisions thereof, reverse or affirm wholly or partly, or may modify the order, requirement,

decision, or determination appealed from and may make such orders or decision as ought to be made, and to that end shall have all powers of the officer from whom the appeal is taken.

H. The concurring vote of three members of the Board shall be necessary to reverse any action of administration officials or to decide in favor of the applicant on any matter upon which it is required to pass under any such Ordinance, or to effect any variation in any such Ordinance.

Article VI

Amendments

The provisions of this Ordinance may be amended or changed at any regular or Special Town Meeting by a majority of the voters present as provided by law.

Article VII

REPORT OF THE BUILDING INSPECTOR

The past years shows a decrease in building activity in the town of Chesterfield. Only twenty-nine new permits were issued. Seven of these were for new homes to be constructed, four for trailer foundations, making available living quarters for eleven new families. A new post office building was completed in Spofford. Four new classrooms were added to our school. To those who think agriculture is a thing of the past, permits were granted for three new dairy barns. New garages and alterations make up the balance.

Again I wish to remind anyone who may be thinking of improvements or construction in 1963 to first obtain a permit.

Respectively submitted,

GEORGE E. JOSLIN

REPORT OF THE CHESTERFIELD LIBRARY

To the Trustees of the Chesterfield Library:

The year 1962 was a big year for the Chesterfield Library. Our total number of patrons increased from 189 patrons in 1961, to 284 in 1962. Our circulation total nearly doubled, as it increased from 5,137 volumes in 1961 to 9,079 the past year.

During the year 1962 the Library was open on Thursday and Friday for the use of the school children. This was done under the direction of the Chesterfield P.T.A. It proved to be a very satisfactory arrangement. This helped greatly to our increase in patronage and circulation.

Gifts to the Library during the year were many and included the following:

The American Heritage Book of the Civil War, which was given by Mr. and Mrs. H. Claude Mowry in memory of their son, Joseph Mowry.

A set of Sax Rohmer mysteries given by Mr. and Mrs. Louis Leu.

16 books given by Mrs. Alene Selchow

34 books given by Joyce Ericson

1 book given by Donald Parker

1 book given by Verne Rollins

1 book given by Mrs. Albert Bradstreet

4 books given by Cynthia Houghton

13 books given by Mrs. Morris Freidsam. Included in this gift of books were Town Histories of Chesterfield, Keene, Washington, and Hancock, New Hampshire.

Exchanges of books were made with the West Chesterfield Branch Library ten times during the year and four times with the Spofford Branch Library. Bookmobile exchanges were made five times during the year with many excellent selections received each time.

Petty Cash Report:

The year 1962 was a bright and shining year for the Library. More people have become acquainted with our fine facilities. I hope the coming year will see even more of you becoming aware of our Library as it is always a pleasure to welcome new patrons and show off our Library. 1963 holds a promise of being another fine year for the Library and I hope all of you will help to make it so.

Respectfully submitted,
CYNTHIA HOUGHTON
Librarian

ARVID W. PEARSON
Commissioners of the Spofford Fire District

PROCEEDINGS OF THE ANNUAL MEETING OF THE SPOFFORD FIRE DISTRICT, MARCH 14th, 1962.

The Meeting was called to order by Moderator Arvid W. Pearson at 8:00 o'clock p.m. The Warrant was read by the clerk. The Articles were disposed of as follows:

Article 1. To choose a Moderator for the ensuing year.

Motion was made by George E. Joslin, supported by John L. McKeon, that clerk cast one ballot for Arvid W. Pearson to serve as Moderator for the ensuing year. Arvid W. Pearson having received all ballots cast was declared elected and took the oath of office.

Article 2. To choose a clerk for the ensuing year.

Motion was made by John L. McKeon, supported by Ronald T. Guyette, that the moderator cast one ballot for Otto S. Schlichting to serve as clerk for the ensuing year. Otto S. Schlichting having received all ballots cast, was declared elected and took oath of office.

Article 3. To choose a commissioner for 3 years (1962-63-64).

The name of Arvid W. Pearson was nominated for commissioner, by John L. McKeon supported by Clifford W. Tuttle.

George E. Joslin made the motion, supported by Ronald T. Guyette, that the clerk cast one ballot for Arvid W. Pearson to serve as commissioner for the ensuing year. Arvid W. Pearson having received all ballots cast was declared elected and took the oath of office.

Article 4. To choose a treasurer for the ensuing year.

Albert G. Bradstreet made the motion, supported by John L. McKeon, that the moderator cast one ballot for Otto S. Schlichting to serve as treasurer for the ensuing year. Otto S. Schlichting having received all ballots cast was declared elected and took oath of office.

Article 5. To se if the District will vote to adopt the budget and raise money for same or act thereon.

Warren G. Allen made the motion to increase the Firemens payroll from $500.00 to $820.00 and this was supported by Margaret R. Schlichting.

Kenneth R. Wiggin made the motion supported by Ray E. Clark, that should any money be returned from the firemens payroll, this sum to be earmarked for the purchase of hats, coats, and boots. The vote on both amendments was in the affirmative. The budget was accepted as amended.

Article 6. To see if the District will vote to authorize the commissioners to borrow money in anticipation of taxes to pay current expenses.

Motion was made by George E. Joslin, supported by Warren G. Allen to accept the article as read. Vote was in the affirmative.

Article 7. To see if the District will vote to dispose of the Waterous, Hosereel, Stewart and Buffalo trucks, or any of these pieces. Funds received to be used to equip Duck or act thereon.

Motion made by George E. Joslin, supported by Harry M. Pierce, to take up one piece at a time. Vote was in the affirmative. Motion was made by H. Claude Mowry, supported by Albert G. Bradstreet, to sell the Stewart truck less fire fighting equipment, money received to be used to purchase hats, coats, and boots for Fire Dept. The commissioners to act as sale committee. Vote was in the affirmative. Albert G. Bradstreet made the motion, supported by George E. Joslin not to sell the Buffalo truck. Paper ballot was requested. Yes—to keep it. No—to sell it. 30 ballots were cast. One-no; 29-yes. George E. Joslin made the motion, supported by Ronald T. Guyette, to have the commissioners act as a committee to dispose of the Waterous and Hosereel to a museum that will preserve equipment, and allow it to be returned to the Spofford Fire District for display purposes. Vote was in the affirmative.

Article 8. To see if the District will vote to raise the sum of $350.00 to purchase 400 feet of 1½" dacron firehose.

George E. Joslin made the motion, supported by John L. McKeon, to accept this article as read. Vote was in the affirmative. come before said meeting.

Article 9. To see if the District will vote to raise the sum of $1,250.00 to equip 25 men with hats, coats and boots. John L. McKeon made the motion, supported by Ardis E. Clark, to raise the sum of $230.00 for hats, coats, and boots to equip what men it will. Vote was in the affirmative.

Article 10. To see if the District will raise the sum of $215.00 to install Tone Control at the firestation. Motion was made by Ardis E. Clark, supported by John L. McKeon, to accept the article as read. Vote was in the affirmative.

Article 11. To transact any other business that may legally come before said meeting.

Motion was made by George E. Joslin, supported by Ronald T. Guyette, to authorize the commissioners to look further into acquiring additional property adjacent to firestation, for storing equipment. Vote was in the affirmative. It was also suggested, that

commissioners see to it, to have steps put on in back of hall.

Meeting adournejd at 10:10 o'clock p.m.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the town of Chesterfield qualified to vote in district affairs:

You are hereby notified to meet at the school in said district on the 9th day of March, 1963, at 3:00 o'clock in the afternoon to bring in your votes for the election of the following officials: (Polls will open at 3:00 P.M. and close not earlier than 9:00 P.M.)

1. A moderator for the coming year.
   A clerk for the ensuing year.
   A member of the school board for the ensuing three years.
   A treasurer for the ensuing year.
   Two auditors for the ensuing year.

You are hereby further notified to meet at the School at 8:00 P.M. on March 9, 1963 to take up the following:

2. To determine and appoint the salaries of school board members, and the truant officer, and to fix the compensation of any other officer or agents of the district.

3. To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

4. To choose agents, auditors and committees in relation to any subject embraced in this warrant.

5. To see what action the district will take in regard to the anticipated June 30th balance in the new addition building fund.

6. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers, auditors and agents, for the payment of statutory obligations of the district, and to authorize the application against said appropriation of any sums as are estimated to be received from the state equalization fund, together with other income, the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

7. To see if the district will vote to accept the services

of a teacher consultant for Supervisory Union No. 60, in accordance with RSA 186:11, XXIII, as amended by Laws of 1957, 252:1, 1961, 196:2, and RSA 189:44 and 47, and to raise and appropriate the sum of $1,093.50 to be used with similar appropriations for 1963-64 from the other districts in the Union to pay that portion of salary and travel in excess of the $2,500.00 to be received from the State of New Hampshire.

8. To see if the district will vote to authorize the School Board to enter into a tuition contract with the Keene School District for tuition at Keene High School.

9. To see if the district will vote to authorize the School Board to enter into a tuition contract with the Brattleboro School District for tuition at Brattleboro High School.

10. To see if the district will vote to authorize the School Board to make application for and to accept and use in the name of the district, such advances, grants in aid or other funds for educational purposes as may now or hereafter be forthcoming from the United States government or any department or agency thereof, or any state or private agency.

11. To see if the district will vote to raise and appropriate four thousand dollars ($4,000.00) to be made available prior to June 30, 1963 as a deficit appropriation for teachers' salary caused by the employment of an additional teacher to assist with the heavy pupil enrollment during the present school year.

12. To transact any other business which may legally come before this meeting.

Given under our hands at said Chesterfield on the 22nd day of February, 1963.

SUPERINTENDENT'S REPORT
TO THE CHESTERFIELD SCHOOL DISTRICT

The district voted last March to build a four-room addition and a bond issue of $100,000.00 was voted to be used for this purpose. The new facilities were occupied on November 9th and an Open House was held on November 15th. The addition is the result of the joint planning of the School Board and building committee working with the architect. Their many hours of deliberation produced the plans that became Chesterfield's four-room addition. These additional facilities should give excellent service to the children of Chesterfield in the years ahead. The change from having classes in the auditorium and hallway is appreciated and should materially improve the learning process.

A study of expected first grade enrollment in April led to the conclusion that forty first grade pupils were expected to be enrolled in September. The School Board met with the Budget Committee with the result that the Budget Committee voted approval of a $1,000 deficit appropriation that allowed the School Board to employ an additional first grade teacher.

The entering first grade enrollment in September was 38. As a result of families moving away, the enrollment dropped to 34 at one time but is back to 36 at this time. Small first grade classes are educationally sound, financially, they are expensive. The children who get a good start in their educational life are worth the investment in their future.

Our reading program was extended this year to include grades three through eight with good results. In addition, the same procedures of grouping were instigated for the teaching of mathematics in grades four through eight. These improvements can be effected because of the increase in the number of teachers on the staff.

The United States Office of Education published, in 1957, a handbook of school financial accounting. The State Board of Education issued a School Financial Accounting Handbook that incorporated, wherever possible, the practices recommended in the national handbook. The change in accounting for school district monies, the preparation of budgets and reports became effective July 1, 1962. The purpose of the change is directed toward the achievement of standardization that will give better accounting and reporting practices plus the ability to make more accurate comparisons.

The actual expenditures report for the school year 1961-62 is given according to the previous method of accounting as is the current budget for 1962-63. In addition, the current budget is also printed as converted to the new method. The proposed budget is in accordance with the changes that became effective July 1, 1962.

Monthly financial reports are submitted to the School Board which keep the members informed as to the current status of money spent in relation to the appropriation.

Keene and Brattleboro High Schools submit a report of attendance and grades for each tuition pupil attending their schools. This enables the School Board to ascertain if the pupils are in attendance and to what extent they are availing themselves of their educational opportunities.

Your School Board investigated the probable schedule of payments for the new addition and as a result determined that temporary investment of funds in treasury notes would result in additional income. The investments netted $310.47 which will add to the amount that can be returned to the district as a balance. The estimated balance from the building fund is approximately $14,000. This balance could be utilized to make the principal payments on the bond issue for two years and most of the payment for the third year if the district so voted at the annual March meetings.

Chesterfield teachers participated in a successful Social Studies three-day workshop with the teachers of Supervisory Union No. 60, on August 30th and 31st, and a follow-up day October 25th. The workshop study was directed toward determining strengths, weaknesses and trends of our social studies curriculum, teaching techniques and methods. Professor Emeritus Dr. Linwood Chase from Boston University was our consultant.

It appears that elementary enrollments will continue to increase which ultimately means an increase in tuition pupils. Tuition cost is the second largest single item in the budget and will probably become the largest.

The decision at the annual meeting last year was to continue as a grade one through eight system and to continue to send high school tuition pupils to both Brattleboro and Keene.

A part of the job of superintendent is to provide information about educational problems that are or will be affecting the educational system in his districts, and to make suggestions as to possible ways and means of solving these problems. The suggestions are given, not with the view that the community must or should accept them but rather that they be considered as first steps toward ultimate solutions that will give adequate educa-

tion in keeping with economy, and a sound long-range program.

Chesterfield's problems as I see them are two-fold: (1) A decision as to whether to continue as a Grade 1-8 system versus a Grade 1-6 system. The former or Grade 1-8 system would eventually result in another building addition. (2) Arranging long-term tuition contracts for high school pupils or joining a co-operative school district.

The New Hampshire 1961-62 Interim Commission on Education preliminary report recommends area school systems that would eventually lead to formation of cooperative districts or the formation of cooperative school districts.

It is my suggestion that a study be made and reported to the district that will give information to the citizens in order that suitable plans can be made in the near future to insure adequate educational opportunity for the youth of Chesterfield.

CHESTERFIELD SCHOOL LUNCH PROGRAM REPORT

July 1, 1961—June 30, 1962

The Hot Lunch Program opened September 5, 1961, with Mrs. Louise Leu as Manager and Mrs. Elli Herrick as her assistant. Mrs. Louise Leu resigned on April 2, 1962. I was put in charge of the Lunch Program with Mrs. Elli Herrick as my assistant.

The rate of reimbursement from Federal Funds remained at 5¢ for each Type A meal served. Under the Special Milk Program, we received 4¢ reimbursement for each ½ pint of milk served. Each day we served from 185 to 210 balanced meals.

Menus are made up in advance for the entire month and copies are given to each child and teacher; thus the parents know the menu of each day. Children are served normal portions in the presence of their class teachers. Those with good appetites can return for seconds.

During the school period, we received surplus commodities from the United States Government which made it possible to keep up the present rate of 25¢ a meal. We also received a generous supply of eating apples and apples for salads from one of our good neighbors.

Thanksgiving and Christmas dinners with all the trimmings were served, with the extra help of Mrs. Ethel Mills.

The following surplus commodities from the government were received during the school period: butter, processed cheese, pea beans, apricots, peanut butter, frozen chicken and turkey, cranberries, cherries, peas, flour, green beans, corn, peaches, tomatoes, applesauce, frozen ground beef, pork in gravy, pumpkins, seedless raisins, powdered milk, rice and potatoes.

Mr. Bellavance, our principal, and his staff as well as Mr. Davis, our custodian, were always helpful when needed. I wish to thank them both and also Mrs. Elli Herrick, my assistant, at this occasion for helping to make the Lunch Program a success.

The School Lunch Program was managed this year without any financial help from our township.

Respectfully submitted,

MRS. LOUISE SCHARLES

In summary, the school year went quite well with the exception of an outbreak of Measles in January and, continuing, into February. At that time our absenteeism rose to an alarming number. School was kept in session and soon the number dropped to within normal limits for the Winter season.

We would like to take this opportunity to thank the school staff and parents for their cooperation, without which the school health program would not succeed.

PRINCIPAL'S REPORT

To the citizens of Chesterfield:

On September 5, 1962, the Chesterfield School opened its doors to 280 students, slightly less than the previous year. As they entered, some found themselves facing new teachers. This was true in Grade I where Miss Dorothy Martin replaced Mrs. Eleanor Scripture. The previous first grade, which since had moved to the second grade, created a need for an additional teacher at this level. To fill this position we were fortunate to find Mrs. Blanche Morse. In the intermediate grades we had two changes, both caused by teachers either leaving to raise a family or to fill a position in another school. Here we found Mrs. Barbara Mackey being replaced by Miss Judy Parody and Mr. John Letourneau being replaced by Mrs. Susan Corning. The only other staff change was an additional half-time teacher in Grade VIII. Mr. Kenneth Houghton of Keene was hired to fill this position. With changes and additional teachers the staff at the Chesterfield School numbered 10 full time teachers and one half-time teacher.

New Addition

When the opening day of school arrived, the new addition was in the process of being built. Because this additional space was not ready for occupancy, it was necessary to continue one class in the front hall and two others in the auditorium. In order to arrange this the auditorium was divided with a wooden partition. This change, made necessary by the lack of space, caused problems in scheduling, student movement, lunch periods, and in the actual teaching of these children.

However, it was only a matter of time before the new addition would be available and in use. This day arrived on Friday, November 9. With the cooperation of the children, the movement into the new building and the adjustment of other classes were accomplished in one day. Shortly after the occupancy of the new addition, an open house was sponsored by the School Board and the Chesterfield P.T.A. This proved to be successful for both the parents and the teachers.

Christmas Program

Our Annual Chesterfield School Christmas Program, which is under the direction of Mrs. Azalea Wilson, was held on

December 20 in the school auditorium. Grades 1 through 8, under the guidance of their teachers, spent many hours making materials, practicing their lines, and rehearsing their movements until it was felt that the children were ready for the program. On the selected day each grade put on its part of the program for the student body. This not only was a dress rehearsal but also a school assembly. That evening the children put on the same program to the delight of the parents. As usual, the little children were the highlight of the evening.

Physical Education

The school year 1962-1963 saw the continuation of the Physical Education Program in grades 7 and 8. However, it was felt that much more could be done for the children in this respect. With this thought in mind, the Chesterfield P.T.A was asked to sponsor such a program for the school year. Presently, plans are being made and equipment being built to formulate such a program in the near future. With the added equipment and facilities, it will be possible to establish a working program which will not only be directly helpful to the children now but also aid them to adjust to such a program in high school.

School Maintenance

Through the efforts of Mr. Merton Davis, our school custodian, the building was made ready for the beginning of another school year. In the preparation for the opening day, much time was spent on cleaning windows, cleaning and waxing floors, repairing broken or damaged equipment, painting floors, and many other necessities which had to be done.

However, it was realized that in order to keep the building in excellent condition it would be necessary to hire some additional help when the new addition was opened. This position was filled by Mr. Wilkins. With the interest and effort of these two men, the building has been kept in excellent condition.

N.D.E.A.

Each year the town has appropriated funds to match the N.D.E.A. funds from the government. This year these funds have been used to improve our science program by purchasing a laboratory table for the science room, microscopes, charts, magnets, and many other such items. In addition to science equipment we hope to be able to purchase a tape recorder for our language program and a great deal of arithmetic equipment which will be used in grades 1 through 8. We

hope that the added equipment will improve our program and help give your children a better education.

Curriculum

With the passing of every year, we find ourselves trying to improve our program. This year it was done by expanding our Joplin Reading Plan to include Grade III. By doing so we were able to add more groups and thereby place more students according to their reading abilities.

In addition to the above plan, we established the Chesterfield Arithmetic Plan in grades 4 through 8. This was formulated in order to help those who were having difficulties with arithmetic and for those who were thought to be capable of doing work beyond the arithmetic offered at their grade level. In both cases we found that we could help the students more by ability grouping than by any other way. If the program continues to be a complete success, we hope to be able to show much greater gains in student achievement by the end of the school year.

On the other hand, reading and arithmetic were not the only new programs improved or formulated. We were also able to offer French to grades 7 and 8 as a means of enrichment. This particular course was offered on a voluntary basis to those who had maintained a B average during the previous school year. Even then, 21 students applied and entered this new phase of our program for the first time. Presently the program is functioning very well, and we hope to continue it for another year.

Respectfully submitted,

ROBERT BELLAVANCE,

Principal

SCHOOL DIRECTORS' REPORT

The plan for the four room addition has reached its goal and is being used effectively. Our thanks for the support that was given by Superintendent, Principal, Building Committee and all of the Voters.

We were pleased with the attendance on "Open House" night. It proved that you are interested in your school and its function. The P.T.A. has been very helpful in many ways and we thank them all. Education is a cooperative enterprise.

The quality of a school reflects the community in which it functions. Guidance and instruction is a good business investment as well as sound social protection, needing the support and understanding of everyone in the community.

A NOTE OF THANKS

February 2, 1963

I want to use this medium to thank the Citizens of Chesterfield for the privilege they have given me these many years as a member of their School Board.

The pride and satisfaction derived from the opportunity of working with other members, namely, Mrs. Ada Allen, Mrs. Elsie Foster, Mrs. Pauline Record and Mrs. Clara Wellington all of Spofford; Mrs. Alice Spaulding, Mr. Lee Bowman, Mr. Harold Putnam, Mrs. Miriam Putnam, Mrs. Anna Hubner and Mr. James O'Neil of Chesterfield has been most gratifying.

Sincerely,

Agnes Chickering

SCHOOL DISTRICT MEETING

School District Meeting
Chesterfield Central School
Chesterfield, New Hampshire

March 10, 1962

The meeting was called to order at 3:02 p.m. by the Moderator, Harry Winn, and the warrant through Article 1 was read by the Clerk.

Article 1. To bring in your votes for the election of the following officials:

A moderator for the coming year.

A clerk for the ensuing year.

A member of the school board for the ensuing three years.

A treasurer for the ensuing year.

Two auditors for the ensuing year.

The moderator then declared the polls open for balloting by Australian ballot for the necessary school district officers.

Preventing Forest Fires Is Our Responsibility

Costs of suppressing carelessly set outdoor fires in New Hampshire in 1962 cost the persons responsible $5,545.00 In the same period, the cost to the cities and towns for control of such fires for which no responsibility could be placed cost another $24,634.00. What utter waste of tax money and what shameful and needless loss of timber and esthetic values in the 2200 acres burned. Residences, farms, and other business places were threatened with possible total destruction.

Carelessly set man caused fires can be prevented if every citizen remembers his responsibility in regard to any source of fires in the open. We can keep our fires low by remembering these simple rules.

1. Dispose of burnable waste at the town dump.
2. If waste or brush is to be burned on the premises, obtain a permit from the forest fire warden. Seasonal permits may be issued for approved incinerators and sites.
3. Burn safely by picking a clean site, avoiding dry windy weather and preferably burning late in the day.
4. Have something to keep the fire under control — pails of water, garden hose, sprinkling can, broom for grass fires or shovel will help.
5. Be sure your fire is dead out before you leave it.
6. If the fire gets out of control or if you see a fire out of control, report promptly to your warden or fire department. Continue to fight it until help arrives.

There is potential danger when matches fall into the hands of children. It is never too early for parents to instill in the child's mind a respect for fire.

Keep our town safe from fire.

In 1962 we had 6 fires.

We burned 1 acre.
